NEW ADMISSIONS

Dear Friend of Imani Christian Academy,

Spring will soon be upon us, and it is time for families and students interested in applying to Imani Christian Academy to complete their on-line applications and financial aid information.

As part of our mission at Imani, we seek to remove as many financial barriers as we can that would prevent an eager student from attending Imani. To do this, we partner with businesses, individuals, and foundations who assist us in subsidizing tuition costs.

To continue to make Imani affordable, we need your help. The best way to help is to complete the financial aid application forms in their entirety and to submit all the requested paperwork (preferably 1040 U.S. Individual Income Tax Return form). Without the critical information you provide, Imani is unable to access student scholarship resources, and therefore, may not be able to provide financial assistance to your child.

Please take a moment to read the directions below to successfully complete the application.

Step One: Applying to Imani
Applications are now being accepted for children entering Pre-kindergarten through 11th grade for the 2025 -2026 school year. Please click the highlighted link to proceed to begin the application process **https://ica-pa.client.renweb.com/oa/?memberid=3587** .

Step Two: Financial Information
*(Pre-K applicants **DO NOT** have to complete the Financial Aid Assessment through the FACTS website - only families applying for K-11th.)*
